Built in Italy by C.T.M., Monte Carlo is a unique combination of speed and beauty. From her sleek external lines, to dual MTU engines that provide a 27 knots top speed, this Falcon 100 class motoryacht is a byword for stylistic and technical excellence.

Whether on the Main aft Deck or on the bimini shaded Sun Deck, there is a plenty of space aboard Monte Carlo for sun bathing, relaxing, enjoying a breakfast or lunch served by the professional hostess and prepared by a highly experienced Chef.

THE CABINS

On the Main Deck, the VIP Cabin's features include a queen size bed, a spacious wardrobe, audio and video systems, a leather settee, a cozy armchair, a writing desk and en-suite bathroom with Jacuzzi tub. The full width Master Cabin features a queen size bed, a walk in wardrobe, audio and video systems, a leather settee, a writing desk and en-suite bathroom. Monte Carlo also offers one Double plus two Twin Cabins, all with en suite bathroom, audio system and fully air conditioned.

DINING ROOM – MAIN LOUNGE

The elegance and classic Italian interior design, the oval dining table which extends to seat ten in comfort, gourmet cuisine from the fully equipped galley and attentive service from the crew combine to create the perfect atmosphere for formal meals. Like all of the Monte Carlo interior, the dining area is fully air conditioned. With the luxurious comfort of its leather upholstery, polished cherry wood paneling plus audio and video entertainment systems, the spacious salon on the Main Deck offers the ultimate in shipboard relaxation.

TOYS & WATERSPORTS

The large swimming platform is easily accessed to enjoy a full range of toys and water sports.
