Consider the possibilities

The twin-hulled Pegasus, built in 1990, completely refitted in 1997 and renovated in the winter of 2016, accommodates up to 44 guests in a relaxed, congenial atmosphere. On board, you will enjoy magnificent sea views as you stroll our 2.500 square feet / 240 m² of open deck furnished with comfortable deck chairs or have a delightful meal al fresco.

You can relax with friends in the handsomely appointed lounge, browse in the well-stocked library or enjoy ocean-view dining in the convivial and spacious restaurant area. A platform on Pegasus stern enables you to swim when weather and anchorage conditions permit. We have also added for your relaxation a zen mini spa located on the lower deck but massage services can also be provided on the upper deck.
